Please note that we have omitted the data where the values are 5 or less as this could reveal the identities of the children. We consider that this information is exempt under section 40 of FOIA. Please see the refusal notice below.

Refusal Notice

Section 40 FOIA sets out an exemption from the right to know if the information requested is personal information protected by the Data Protection Act 1998 (DPA).

The DPA which governs the processing of personal data and defines personal data “as any data which relate to a living individual who can be identified from those data, or from those data and other information which is in the possession of, or is likely to come into the possession of, the data controller.”

Section 40 (2) FOIA exempts disclosure of information if such disclosure would contravene one of the data protection principles. This exemption is absolute and is not subject to the public interest test.

The first of the data protection principles requires that personal data is processed fairly and lawfully. It is our view that to disclose the withheld information would breach this principle, in particular, the requirement of fairness because the children have a reasonable expectation of privacy and do not expect that their personal information would be released in a response to a freedom of information request.

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
