As part of Barnet’s Local Plan the Core Strategy and Development Management Policies documents were adopted by the Council on 11 September 2012. The Local Plan has replaced policies in the Unitary Development Plan (2006) except 13 ‘saved’ policies for Brent Cross Cricklewood (these policies are contained within Chapter 12 of the UDP which can be accessed at www.barnet.gov.uk/citizen-home/planningconservation-and-building-control-unitary-development-plan.html)

Please note that the Unitary Development Plan (UDP) Proposals Map from 2006 is subject to review as part of the Local Plan, adoption which is expected in 2020.

If you are interested in the data that the council holds you may wish to visit Open Barnet, the council's data portal. This brings together all our published datasets and other information of interest on one searchable database for anyone, anywhere to access. <http://open.barnet.gov.uk/>

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
