Thank you for your request received on 16 March 2020, for the following information:

1. Please tell me why the Adjudicators dismissed your case without even going to a hearing. Mr Moorwood's answer to me dated 7 January 2020 that the reason for dismissal was due to a 'technical error' told me nothing. I want to know if I can continue to park my car in the location cited in the correspondence.

2. I also want to know from your files how many other motorists you have wrongly fined for parking in this position over the last 12 months.

We have processed this request under the Freedom of Information Act 2000.

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
