Thank you for your request received on 30 March 2020, for the following information:

Under the Freedom of Information Act 2000 and Environmental Regulations 2004, please could you give me the details of the following:

Aurora Health Physics Services Limited 'Independent Radiological Ground Investigation of Drainage Features at Francis Crick Institute, Mill Hill, March 2017, reference AHP/RPA/MRC/REP/MAR/17/02

We have processed this request under the Environmental Information Regulations 2004.

Response

We have checked our records and while a Radiological Ground Investigation of Drainage by Aurora was submitted in support of the original application, however this is dated 2015. It appears that the document which you refer to dated 2017 was sent to the Environment Agency rather than the London Borough of Barnet pursuant to a radiological surrender permit surrender application. As such the London Borough of Barnet does not have any copy of this document.

If you are interested in the data that the council holds you may wish to visit Open Barnet, the council's data portal. This brings together all our published datasets and other information of interest on one searchable database for anyone, anywhere to access. <http://open.barnet.gov.uk/>

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
