Thank you for your request received on 6 April 2020, for the following information:

Under the Freedom of Information Act 2000, I would like to request data regarding the number of motorists issued PCNs for wrongly parking in designated disabled person's parking bays.

Can I please receive a total count of PCNs issued for violating the following contravention codes:

Code 40. 'Parked in a designated disabled person's parking place without displaying a valid disabled person's badge in the prescribed manner.'

Code 87. 'Parked in a designated disabled person's parking place without displaying a valid disabled person's badge in the prescribed manner.'

I wish to solely receive the total amount of PCNs motorists have been issued for violating these codes.

If I could please receive this total count for the time period of 01/04/2018 - 31/03/2019 that would be fantastic.

We have processed this request under the Freedom of Information Act 2000.

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
