## **Response**

The council holds the information requested and the answers to your questions are below.

***\* If permanent speed limit changes are planned in 2020 in your borough. In this case please provide us the source, preferably in GIS format, where speed limit changes will be and time when changes will be valid from.***

***\* Otherwise, please send us a confirmation, that speed limit changes are not planned in 2020 in your borough.***

Please see attached a list of permanent speed limit changes being progressed in 2020 within the London Borough of Barnet on borough controlled roads. We are sorry this is not available in a GIS format. This list may not be exhaustive as additional proposals may develop in year and it is also possible that some proposals may ultimately not proceed in full. An operational date for all locations is uncertain at the moment, but we have provided an indication of the current position as a note where we think this might help. The information does not include potential speed limit changes on roads not controlled by Barnet (e.g. M1, A1, A41, A406).

### **Advice and Assistance : Direct Marketing**

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link [www.ico.org.uk](http://www.ico.org.uk)

**For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.**
