Thank you for your request received on 23 June 2020, for the following information:

I was just wondering if it is possible to obtain copies of comments on Parking consultations? In particular, I am interested in SCR332-05, Sunny Gardens Road.

We have processed this request under the Environmental Information Regulations 2004.

Response

I can confirm that London Borough of Barnet holds the information you requested.

However, we consider that the following exceptions apply to some of the information requested. The remaining information is not withheld and is below.

I was just wondering if it is possible to obtain copies of comments on Parking consultations? In particular, I am interested in SCR332-05, Sunny Gardens Road.

In response to the statutory consultation, the council received feedback from four individuals in total in respect to the proposed change. Two responders submitted neutral/positive comments and two individuals object.

Officers are presently considering objections based on the below. Please be advised, we can only provide the following summary as even redacted emails increase the possibility of linking back comments to individuals, especially taking into account the very small number of individuals involved.

- * Very few kerb spaces to park in this part of Sunny Gardens Road, unclear how many parking spaces will be lost, object to losing more
- * Demand for parking is high due to the nearby Garden Hospital and Middlesex University
- * Further conversions will result in additional applications being made for change, to the detriment of the environment
- * Increased risk in crossing the road, a bay should be retained for safety reasons

Neutral / positive comment:

* Creates more off-street parking. Rarely any parking strain on the road during event day(s)

* The proposal allows for 3 off-street parking places which should overall reduce parking congestion

An objection report will be supplied once a decision is taken on the application.

Refusal Notice

[Part 1 of Schedule 19](#) of the Data Protection Act 2018 amends the personal data exception Regulation 13 of the Environmental Information Regulations 2004. These are consequential amendments designed to ensure that the correct provisions of the GDPR and the new Act are referenced instead of the now repealed DPA 1998. They will not fundamentally impact when personal data can, and cannot, be disclosed in response to an EIR request.

We consider the information is subject to Regulation 13 because to release it would be a breach of the Data Protection Act 2018.

Personal Information is governed by the Data Protection legislation and is defined as any information relating to an identified or identifiable natural person ('data subject'). It adds that: an identifiable natural person is one who can be identified, directly or indirectly, in particular by reference to an identifier such as a name, an identification number, location number, an online identifier or to one or more factors specific to the physical, physiological, genetic, mental, economic, cultural or social identity of that natural person.

The withheld information is exempt because disclosure would contravene the first data protection principle which requires that personal data is processed fairly and lawfully. Disclosure of the requested information would breach this principle and in particular the requirement of fairness.

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
