***There is a community facility being built by Taylor Wimpey at Oakleigh Grove development on Sweets way.

The building in question is a S106 agreement with Taylor Wimpey and we will take handover of it shortly. It will be handed to LBB in a condition ready to let. The use class of the property is D1 and advertising on the open market will start after a site inspection and consultation with ward councillors.

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for

direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
