Thank you for your request received on 3 July 2020, for the following information:

Dear Barnet Borough Council,

Please could you send to me all correspondence with Transport for London, any plans, diagrams, minutes from meetings etc. relating to proposals for a permanent bus stop to replace the current temporary one on Bittacy Hill, NW7 between Langstone Way and New Road, serving route 221.

Location can be viewed here:

TfL have advised me that LBB Council first proposed to install a permanent bus stop at this location 18 months ago. Please could you inform me why these proposals haven't yet been followed through, and what the plans are if any, to place a permanent bus stop here in the future? Please include the proposed name of the stop and how much it will cost to place, also whether routes 240 and 382 are also planned to serve the stop in place of the current 'Frith Lane' stop closer to Holders Hill Circus.

We have processed this request under the Freedom of Information Act 2000.

Response

The council holds the information requested and the answers to your questions are below

I have checked with the Highways Network Management Team and they are not aware of any current plans for the relocation of the temporary bus stop in NW7.

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
