Thank you for your request received on 18 August 2020, for the following information:

I wish to submit a request to the organisation around their hosting contract(s) with 3rd party providers.
The type of contract I wish to see is below:
1. Dedicated hosting- Managed environment
2. Co-Location- hosting allows a business to still own their own server equipment; however, instead of storing it in their own data centre, they instead are able to store it in rented space in a colocation hosting centre.
3. Cloud Hosting- Cloud hosting services provide hosting for websites on virtual servers, which pull their computing resource from extensive underlying networks of physical web servers.

Not all of these will be applicable to the organisation.

For the different types of hosting services, can you provide me with the following information:
1. Type of hosting ' Dedicated, Co-Location, Cloud Hosting, Other?
2. Who is the supplier of the contract? If possible can you also provide me with the name of the vendor, if applicable?
3. What is the annual contract value for each contract?
4. What type of cloud environment?
Private Cloud- a distinct and secure cloud based environment in which only the specified client can operate.
Public Cloud - where cloud services are provided in a virtualised environment, constructed using pooled shared physical resources, and accessible over a public network such as the internet.
Hybrid- integrated cloud service utilising both private and public clouds to perform distinct functions within the same organisation.
5. What is the original start date of the contract agreement? If there are more than one contract please provide me with the start date for each contract.
6. What is the actual expiry date of the contract agreement? If there are more than one contract please provide me with the expiry date for each contract.
7. When will the organisation plan to review this contract? If there are more than one contract please provide me with the review date for each contract.
8. What is the contract period in years? Please include whether the agreement has any extension periods?
9. What services are provided under the contract? Please do not put hosting,

information such as web hosting, file storage, hosted application. The more information the better,
10. Can you please provide me with the contract officer responsible for this contract? Complete contact details if possible name, title, contact email and number.

We have processed this request under the Freedom of Information Act 2000.

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
