Assurance Group
London Borough of Barnet,
2 Bristol Avenue, Colindale,
London NW9 4EW
12 October 2020
Our ref: 6598030

Thank you for your request received on 16 September 2020, for the following information:

Under the Freedom of Information Act, please could you provide me with the following information in relation to on-street charging points for electric vehicles within a residential area;

- 1) The total number of council owned on-street charging points within a residential area and their location (i.e. street name).**
- 2) If applicable, the total number of connectors in respect of the charging points in residential areas as outlined in Q1. For example, two charging points with a total of four connectors.**
- 3) If applicable, the prices paid for using on-street charging points within a residential area, along with any discounts offered for residents.**
- 4) If the council has applied for grant funding for on-street charging points within a residential area. If applicable, please advise how much the council applied for and how much was granted.**
- 5) What, if any, budget has been set aside to install council owned on-street charging points within a residential area.**
- 6) When the council intends to install its first council owned on-street charging point(s) within a residential area.**

If this information is publicly available, please provide me with any URLs. Please could you reply to this request via email.

Should you have any queries on this request, please do not hesitate to contact me.

We have processed this request under the Environmental Information Regulations 2004.

Response

The council holds the information requested and it is attached/ the answers to your questions are below

Since the beginning of our Electric Charge point programme, Barnet Council has installed a total of 98 charge points across the borough. None of these have been removed. The charge points installed consist of:

* Four 7kWh charge points located in car parks across the borough, these are located in:

- Stanhope Road Car Park
- Moxon Street Car Park
- Fitzjohn Avenue Car Park
- Stapylton Road Car Park

* 22 7kWh charge points located across two leisure centre based community hubs at Cophall Leisure Centre (14) and New Barnet Leisure Centre (8)

* 72 3.5kWh lamp column charge points across the borough at the locations listed below:

- Ambrose Ave
- Lansdowne Rd
- Ravenscroft Park
- Eton Ave
- Grosvenor Rd
- Carnarvon Rd

- Chesterfield Road
- Dale Grove

- Kings Drive
- Fallow Court Avenue
- Westmere Drive

The residential lamp column charge points each have one connector. The 7kWh freestanding and community hub charge points each have two connectors Usage for the charge points across the borough is charged at £0.34/kWh; however, we will continue to review the cost for our resident in order to continue to provide value for money. Charges can also be found here:

<https://www.barnet.gov.uk/roads-andpavements/electric-vehicles-barnet>

The council applied for both rounds of funding available through the Go Ultra Low City Scheme (GULCS). We were successful in securing a total of £744,000 across the two rounds.

Under the terms of the GULCS funding the council is required to provide match funding of 25% for the installation of residential and freestanding charge

points.

Further information

If you are interested in the data that the council holds you may wish to visit Open Barnet, the council's data portal. This brings together all our published datasets and other information of interest on one searchable database for anyone, anywhere to access. <http://open.barnet.gov.uk/>

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.

Your rights

If you are unhappy with the way your request for information has been handled, you can request a review within the next 40 working days by writing to the Information Management Team at: foi@barnet.gov.uk. Or by post to Information Management Team (FOI) London Borough of Barnet, 2 Bristol Avenue, Colindale, NW9 4EW

If, having exhausted our review procedure, you remain dissatisfied with the handling of your request or complaint, you will have a right to appeal to the Information Commissioner at: The Information Commissioner's Office, Wycliffe House, Water

Lane, Wilmslow, Cheshire, SK9 5AF (telephone: 0303 123 1113; website www.ico.org.uk). There is no charge for making an appeal.
