**\* less than five.**

**Please note that we have omitted the data where the values are 5 or less as this could reveal the identities of the children. We consider that this information is exempt under section 40 of FOIA. Please see the refusal notice below.**

### **Refusal Notice**

***Section 40 FOIA sets out an exemption from the right to know if the information requested is personal information protected by the Data Protection Act 1998 (DPA).***

***The DPA which governs the processing of personal data and defines personal data “as any data which relate to a living individual who can be identified from those data, or from those data and other information which is in the possession of, or is likely to come into the possession of, the data controller.”***

***Section 40 (2) FOIA exempts disclosure of information if such disclosure would contravene one of the data protection principles. This exemption is absolute and is not subject to the public interest test.***

***The first of the data protection principles requires that personal data is processed fairly and lawfully. It is our view that to disclose the withheld information would breach this principle, in particular, the requirement of fairness because the children have a reasonable expectation of privacy and do not expect that their personal information would be released in a response to a freedom of information request.***

2. Please provide - as a figure - the number of teachers and learning support staff who have resigned their from their roles, in all educational settings provided by your local authority. Quite simply, how many staff have resigned from your schools?

For this, if possible, I would like monthly figures, for the last three years, up to and including the 18th of September 2020.

**We do not hold this information. You will need to contact schools directly.**

**Please see the link below:**

**<https://www.barnet.gov.uk/directories/schools>**

**Schools (including academies) are considered under the Freedom of Information Act (FOIA) to be public authorities in their own rights, and are subject to the FOIA in the same way as the council (albeit with different timescales to meet). It is therefore correct that the council does not hold this information, and that individual schools would need to be contacted.**

### **Further information**

If you are interested in the data that the council holds you may wish to visit Open Barnet, the council's data portal. This brings together all our published datasets and other information of interest on one searchable database for anyone, anywhere to access. <http://open.barnet.gov.uk/>

### **Advice and Assistance : Direct Marketing**

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link [www.ico.org.uk](http://www.ico.org.uk)

**For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.**
