Response

The council holds the information requested and the answers to your questions are below

-- The total number of staff employed by Barnet Borough Council

1655 staff

-- The total number of staff at each pay band (or scale or range - whichever terminology your council uses)

-- The number of Barnet Borough Council staff who are resident in Barnet

-- The number of staff who are resident in Barnet at each pay band

Please see attached table and pay and grading chart which breaks down the residency of staff by grade. Please note that we have a small number of staff on other terms and conditions as a result of TUPE and other organisational factors and these staff have been marked as "other" for the purposes of this survey as they are not within a council pay band.

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
