Thank you for your request received on 12 February 2021, for the following information:

In the 2020 calendar year could you please state how many street litter bin sites you had responsibility for that were removed from service for good.

For each bin site that was removed from service please give (i) the position where the bin had been and (ii) the reason why it was decided to no longer have a bin in that site? Please ensure when you answer this part of the question that you state whether the removal was in any way related to whether the bin was attracting too little, or too much litter.
