Response

The council holds the information requested and the answers to your questions are below

Signage at Childs Way in Temple Fortune reads: "Pedestrian and cycle zone [timings omitted] except authorised vehicles."

Please provide me with all recorded information you hold on the process for how one becomes an authorised vehicle for these purposes.

I attach the experimental Traffic Management Order that introduces the restriction. The document also incorporates the statement of reasons, which identifies that:

"Permits allowing motorists to enter the pedestrian and cycle zone will be available to residents and employees of businesses and organisations at premises located within or accessible only from that pedestrian and cycle zone, by application to the Council."

If you are interested in the data that the council holds you may wish to visit Open Barnet, the council's data portal. This brings together all our published datasets and other information of interest on one searchable database for anyone, anywhere to access. <http://open.barnet.gov.uk/>

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to

be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.

There is no charge for making an appeal.
