Thank you for your request received on 10 March 2021, for the following information:

I am looking into the impact of the Department of Education's decision to change the Pupil Premium calculation date from January 21 to October 20.

I would like to know if the council has made any assessment of the impact this change will have, if so, I would like to see it.

I would also like to know many pupils the council have registered as FSM in January 2020, October 2020 and finally, if it's known, how many were registered in January 2021.

I would be grateful if you could clarify if these figures include academies based in the council area.

We have processed this request under the Freedom of Information Act 2000.

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
