Response

The council holds the information requested and it is attached.

- 1. Public Charge Point Locations and the type of electric vehicle charger:**
 - a. What is its rated power delivery?;**

CityEV - 3.5KW
BPChargeMasters - 7kw

b. Which of these are on-street chargepoints accessible 24/7, not in car parks nor service stations?

CityEV Lamp Columns are all onstreet - the BPChargeMaster are located at New Barnet and Copthal Leisure Centre

c. Which CPOs are operating these chargepoints?

Please see 'ChargeTransactions' spreadsheet for CityEV data and the other 4 attachments for BPChargeMaster.

d. What is the cost charged at each chargepoint per kWh?

£0.34

2. Record of all public electric vehicle charging events in 2018-2019, 2019-2020, 2020-2021:

a. Including the recorded times the charging event begins and ends using the public charge points;

3. Charging Speeds for each public charging event;

4. The recorded Kwh used for each public charging event;

Please see attached spreadsheets.

5. Do you have a dedicated EV strategy?

We are in the process of developing our strategy for moving forward with the rollout of EV infrastructure, however, we are committed to continuing to facilitate and encourage the takeup of EVs through the rollout of charge points. With this in mind, we will be doubling our capacity over the next year, including the rollout of rapid charge points.

6. Have you published an EV tender in the last six months?

All work is done through the GULCS and ORCS Frameworks as determined by the funding source.

7. What type of funding streams have you used to deliver EV charging points?

GULCS and ORCEs.

8. How many chargepoints have you installed per year for 2018, 2019, 2020?

2019: 40 lamp column, 22 leisure centre hubs.

2020: 42 lamp column, 4 town centre car parks.

9. What is your predicted roll-out of chargepoints in 2021 and 2022?

We have already installed 2x 6 dual hubs in the town centre car parks in 2021. We will instal additional lamp column charge points based on request and the Borough's first rapid charge points throughout 2021. Our 2022 rollout is dependent on the securing of additional funding .

Please, provide the information in the form of a .xls or .csv format where possible and include the coordinates (Lat, Long, Easting, Northing) of the charging points.

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.

Your rights

If you are unhappy with the way your request for information has been handled, you can request a review within the next 40 working days by writing to the Information Management Team at: foi@barnet.gov.uk. Or by post to Information Management Team (FOI) London Borough of Barnet, 2 Bristol Avenue, Colindale, NW9 4EW

If, having exhausted our review procedure, you remain dissatisfied with the handling of your request or complaint, you will have a right to appeal to the Information Commissioner at: The Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF (telephone: 0303 123 1113; website www.ico.org.uk). There is no charge for making an appeal.
