The council holds the information requested and the answers to your questions are below

1 - If a person has a licence for one type of animal and seeks a licence for another type of animal (assuming both being granted) would this be regarded as one licence (with the onus being one licence per person spanning all relevant animals) or two licences (with the onus being one licence per type of relevant animal regardless of it being the same person covering both)?

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
