All planning data is already available online. You can search for this information on our website adding 'Dwellings' to the description keyword field, "Full Application" to Application Type and enter the date range under advanced search and selecting the date range you wish to search, details of permission granted or refused will be on each case record:

Unfortunately we can not break down the information further by only searching for Objections and support. This will have to be searched on each individual application.

### **Advice and Assistance : Direct Marketing**

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link [www.ico.org.uk](http://www.ico.org.uk)

**For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.**
