Please could you forward a copy of the Health Impact Assessment (MHE/OPA/15) and Consultee comment(s) from NHS Barnet (PCT) in electronic form to us?

Response

The information requested are not included in the electronic file, the content of which are in any event viewable online.

Due to COVID restrictions we are unable to access paper files held in the archive so are not in a position to confirm or deny if the Health Impact Assessment and copies of full consultation comments are held until we have reviewed the file.

I can confirm that London Borough of Barnet holds the information you requested but this is not accessible at the present time.

A summary of the comments made were however summarised in quite a lot of detail in the original Committee report which is viewable online.

We consider that Regulation 6(1)(b) applies to the information requested because the information requested is already publicly available and easily accessible.

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
