Other than as recorded, we are neither confirming nor denying whether any information is held, by virtue of section 40 (5) (b) (i) of the Freedom of Information Act 2000 (FOIA). We have concluded that confirmation or denial that this information exists would not be consistent with data protection principles in the Data Protection Act 2018 (DPA).

This is not an absolute exemption and requires a public test to be performed. We have considered our obligation to keep the public aware of such activities; however, this legitimate interest is outweighed by the risk of the prejudice that might arise in relation to the legitimate privacy interests of individuals whose personal data might be identified. Therefore we have concluded that the exemption should be maintained in order to protect privacy of data subjects.

If there are please can you also provide information on any complaints to the council from these addresses over the past 5 years.

We can confirm that we have checked the Environmental Health records for any complaints received between 1st January 2016 and 21st May 2021 and the service does not hold any information.

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
