Thank you for your request received on 3 May 2021, for the following information:

Under FOI, I would like the following information (email preferred) with regard to the painting of the yellow box junction referred to above:

- From 1 April 2017 onwards, on what dates has the yellow box been repainted?
- When is the next date on which it is scheduled to be repainted? If no such date had been determined, how will it be determined when the yellow box markings need to be repainted? For example, is there a regular routine inspection to see when this needs to be done?

We have processed this request under the Freedom of Information Act 2000.

Response

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications

Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
