Thank you for your request received on 25 May 2021, for the following information:

I am a researcher working within the captive animal management sector. I am heading up a research project looking at the effects of COVID on animals in captivity in UK based zoos and aquariums.

It would be very much appreciated if you could supply to me any records you have for any of the zoos and aquariums in your jurisdiction that hold a valid zoo licence (either full or dispensated) purporting to 2020 including:

- * Any livestock data/records for any animal collection you have a zoo licence for (full or dispensation licence types) for 2020.**
- * Any zoo licence inspection records, including pre-inspection audits for 2020.**
- * Any information regarding compliance to the zoo licence legislation for 2020.**

We have processed this request under the Environmental Information Regulations 2004.

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
