Thank you for your request received on 2 June 2021, for the following information:

I am writing to you under the Freedom of Information Act 2000 to request the following information:

The details and context of all Compulsory Purchase Orders issued against residential properties within the council areas of Barnet from 2016 to 2021.

Please include the date the Compulsory Purchase Order was issued, the date completed and whether the order was carried out by the council or another organisation or individual.

Please provide the information in excel format.

If it is not possible to provide the information requested due to the information exceeding the cost of compliance limits identified in Section 12, please provide advice and assistance, under the Section 16 obligations of the Act, as to how I can refine my request.

If you can identify any ways that my request could be refined I would be grateful for any further advice and assistance.

If you have any queries please don't hesitate to contact me via email or phone and I will be very happy to clarify what I am asking for and discuss the request, my details are outlined below.

We have processed this request under the Environmental Information Regulations 2004.

Response

I can confirm that London Borough of Barnet holds the information you requested.

However, we consider that the following exceptions apply to some of the information requested.

The remaining information is not withheld and is attached.

Please find in the table attached our response to the FOI request

(2a). Web links to information on the CPOs including the CPO boundary areas is also provided.

The table shows that the number of properties that were compulsorily purchased have been low as most were acquired by private treaty - i.e. the owner agreed to sell. Please note that under GDPR rules, we do not share personal data on individual property owners

(2b), their addresses or financial information related to the property transaction

(2c). Monies are held by Barnet Council (2d).

We consider that regulation 13 (Personal information) applies to some of the information requested.

Therefore, we have decided to withhold the information.

Refusal Notice

[Part 1 of Schedule 19](#) of the Data Protection Act 2018 amends the personal data exception Regulation 13 of the Environmental Information Regulations 2004. These are consequential amendments designed to ensure that the correct provisions of the GDPR and the new Act are referenced instead of the now repealed DPA 1998. They will not fundamentally impact when personal data can, and cannot, be disclosed in response to an EIR request.

We consider the information is subject to Regulation 13 because to release it would be a breach of the Data Protection Act 2018.

Personal Information is governed by the Data Protection legislation and is defined as any information relating to an identified or identifiable natural person ('data subject'). It adds that: an identifiable natural person is one who can be identified, directly or indirectly, in particular by reference to an identifier such as a name, an identification number, location number, an online identifier or to one or more factors specific to the physical, physiological, genetic, mental, economic, cultural or social identity of that natural person.

The withheld information is exempt because disclosure would contravene the first data protection principle which requires that personal data is processed fairly and lawfully. Disclosure of the requested information would breach this principle and in particular the requirement of fairness.

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to

prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.

Your rights
