Thank you for your request received on 21 June 2021, for the following information:

As part of a project that i am undertaking to publish the locations of school crossing patrol sites across the UK as an open data source (with the intent that this source is picked up by Sat Nav apps, which can then use it to display warnings to drivers), i am hereby requesting information that you hold regarding any school crossing patrol sites in your local authority area. This request is being made under the Freedom of Information Act 2000.

In particular, the I am requesting following information regarding current School Crossing Patrol sites in your local authority area:

*** Location. GPS co-ordinates would be ideal, but a postcode, street name or general description will also suffice.**

*** Staffed times. Or times when there is a school crossing patroller present on the site during a normal school day.**
In terms of the format, having the above in an Excel format or CSV would be ideal. But I am willing to accept the format which is easiest to hand for you.

Please note that I am not requesting details on whether these sites are currently in use (i.e. they have a school crossing patroller regularly on site), nor any personal information relating to the school crossing patrollers themselves.

We have processed this request under the Freedom of Information Act 2000.

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
