Our ref: 7460900

Thank you for your request received on 5 July 2021, for the following information:
Please would you let me know:

Between 13 April 2011 and 13 April 2019 how many Domestic Homicide Reviews (DHRs) were commissioned on behalf of your Community Safety Partnership (CSP)?

Of those how many have been completed?

How many of the DHRs commissioned on behalf of your CSP between 13 April 2011 and 13 April 2019 involved Interpersonal Homicide (IPH)*? Please include within this number any reviews commissioned as DHRs in response to suicide where interpersonal violence or abuse was thought to be a factor.

Of the DHRs that did not involve Interpersonal Homicide (IPH) how many involved a victim who was a carer towards the perpetrator? Please do include within this number victims with any kind of caring role towards the perpetrator whether formal or informal.

Please provide copies of any DHRs commissioned by your partnership between 13 April 2011 and 13 April 2019 which have been published (for any length of time) which do not involve Interpersonal Homicide (IPH). For DHRs where both the Executive Summary Report and Overview Report have been published, please provide both reports.

***In case it helps for clarity, Interpersonal Homicide (IPH) in the context of this request is referring to the part of the Domestic Violence, Crime and Victims Act 2004 which says, 'with whom he was or had been in an intimate personal relationship'**

Please do not refuse this request by sending me a link to where I can find your published DHRs, as I won't know if you have published ALL of your DHRs, or if they remain on there, and I won't know how many you have commissioned (some of them may not be completed yet so not showing) so please do answer the questions for me.

We have processed this request under the Freedom of Information Act 2000.

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to

be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
