Thank you for your request received on 15 July 2021, for the following information:

I wish to make a Freedom of Information Act request for information relating to 129 Hamilton Road, London, NW11 9EG. The planning department recently granted permission for a C4 use class for that property. The property was sold around the same time as the permission was granted. Barnet are currently in the process of applying for a Change of Use.

The information I require is as follows:

- 1. When were planning officers first aware that Opendoor/Barnet Homes were interested in acquiring the property?**
- 2. The information on the planning portal only demonstrates three years of continuous use. Is there any further evidence? If so, may I see it, if necessary, with sensitive information redacted.**
- 3. Please can I see any internal emails and meeting notes regarding the application for C4/sui generis use.**
- 4. What are the names of the planning officers that have been involved in pre-application discussions related to the change of use which Opendoor/Barnet Homes is applying for?**

We have processed this request under the Environmental Information Regulations 2004.

Refusal Notice

We consider that regulation 13 (Personal information) applies to some of the information requested. Therefore, we have decided to withhold the information.

[Part 1 of Schedule 19](#) of the Data Protection Act 2018 amends the personal data exception Regulation 13 of the Environmental Information Regulations 2004. These are consequential amendments designed to ensure that the correct provisions of the GDPR and the new Act are referenced instead of the now repealed DPA 1998. They will not fundamentally impact when personal data can, and cannot, be disclosed in response to an EIR request.

We consider the information is subject to Regulation 13 because to release it would be a breach of the Data Protection Act 2018.

Personal Information is governed by the Data Protection legislation and is defined as any information relating to an identified or identifiable natural person ('data subject')'. It adds that: an identifiable natural person is one who can be identified, directly or indirectly, in particular by reference to an identifier such as a name, an identification number, location number, an online identifier or to one or more factors specific to the physical, physiological, genetic, mental, economic, cultural or social identity of that natural person.

The withheld information is exempt because disclosure would contravene the first data protection principle which requires that personal data is processed fairly and lawfully. Disclosure of the requested information would breach this principle and in particular the requirement of fairness.

[The](#) individuals working for the council have a reasonable expectation of privacy and do not expect that the council would disclose their names or contact details in response to an information rights request, especially as they are relatively junior and not in public facing roles. The council's redaction policy states that officers' names and contact details under the level of Assistant Director will generally not be released. All of the posts redacted are under the Assistant Director level.

Further information

If you are interested in the data that the council holds you may wish to visit Open Barnet, the council's data portal. This brings together all our published datasets and other information of interest on one searchable database for anyone, anywhere to access. <http://open.barnet.gov.uk/>

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.

Your rights

If you are unhappy with the way your request for information has been handled, you can request a review within the next 40 working days by writing to the Information Management Team at: foi@barnet.gov.uk.
