

10 August 2021
Our ref: 7488928

Thank you for your request received on 16 July 2021, for the following information:

Under the Freedom of Information Act 2000, I would like to know:

- * If you plan to increase the number of publicly available electric vehicle charging devices**
- * If so, how many publicly available electric vehicle charging devices do you expect to instal**
- * And, how many of these will be rapid charging devices**
- If possible, I would like this data year on year until 2050.**

We have processed this request under the Environmental Information Regulations 2004.

Response

The council holds the information requested and the answers to your questions are below.

**** If you plan to increase the number of publicly available electric vehicle charging devices***

Barnet Council is committed to supporting the transition towards electric vehicles by increasing the supply of charge points for residents. Our current programme is focused on providing residential lamp column charge points based on residential requests.

**** If so, how many publicly available electric vehicle charging devices do you expect to instal***

We currently have 72 lamp column charge points, and plan to install a further 93 this year; we will then continue to install lamp column charge points based on residential request and funding availability.

**** And, how many of these will be rapid charging devices***

We will be installing the borough's first rapid charge point later this year.

If possible, I would like this data year on year until 2050.

We do not have a detailed year by year plan as we are dependent on external funding sources.

Further information

If you are interested in the data that the council holds you may wish to visit Open Barnet, the council's data portal. This brings together all our published datasets and other information of interest on one searchable database for anyone, anywhere to access. <http://open.barnet.gov.uk/>

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.

Your rights

If you are unhappy with the way your request for information has been handled, you can request a review within the next 40 working days by writing to the Information Management Team at: foi@barnet.gov.uk. Or by post to Information Management Team (FOI) London Borough of Barnet, 2 Bristol Avenue, Colindale, NW9 4EW

If, having exhausted our review procedure, you remain dissatisfied with the handling of your request or complaint, you will have a right to appeal to the Information Commissioner at: The Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF (telephone: 0303 123 1113; website www.ico.org.uk). There is no charge for making an appeal.
