There were no PCNs cancelled as a result.

Each case is considered by an adjudicator on its own merits and is their own personal opinion. An adjudicator decision therefore does not set a precedent.

At the box junction location 'High Street Junction With St Albans Road' there have been 21 appeals heard at London Tribunal between 01/01/2020 and 21/07/2021. Although 5 appeals have been allowed (including Case 2210238633 - PCN AG38744622), 16 cases have been refused by the adjudicators.

***- what steps the Council has taken or plans to take to restore the markings at this junction to the standard required for enforcement?***

I can confirm there are currently no plans to redesign the junction.

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link [www.ico.org.uk](http://www.ico.org.uk)

**For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.**
