**Under the Freedom of Information act please can you advise whether you have cleaned the consumer data you hold within the last six months. By cleaned I mean identified and deleted individuals that have passed away and identified people that have moved house and updated their details.**

We have processed this request under the Freedom of Information Act 2000.

### **Response**

The council holds the information requested and the answers to your questions are below.

***Under the Freedom of Information act please can you advise whether you have cleaned the consumer data you hold within the last six months. By cleaned I mean identified and deleted individuals that have passed away and identified people that have moved house and updated their details.***

Barnet Council regularly updates systems as we are made aware of changes in circumstances. For example, the Council Tax and Benefits databases are updated when we are advised that a taxpayer or claimant has passed away or moved to a different address. Such notifications can come from service users, relatives, organisations such as other councils or Housing Associations or via government initiatives such as the National Fraud Initiative.

### **Further information**

If you are interested in the data that the council holds you may wish to visit Open Barnet, the council's data portal. This brings together all our published datasets and other information of interest on one searchable database for anyone, anywhere to access. <http://open.barnet.gov.uk/>

### **Advice and Assistance : Direct Marketing**

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for

direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link [www.ico.org.uk](http://www.ico.org.uk)

**For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.**
