Thank you for your request received on 3 August 2021, for the following information:

Please send me the parking charge structures and fee break down from 2010-until present including any discounts for larger cars and what those discounts were.

In particular, I would like to know the charging scheme for the largest emitting cars as well as 7+ seater cars (which I understand were discounted) from when the charging structure changed in 2016.

Thank you.

We have processed this request under the Freedom of Information Act 2000.

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to

be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
