Thank you for your request received on 19 August 2021, for the following information:

All communications between the council and countryside properties about the development of brook valley gardens in High Barnet related specifically to the discussion of:

1. the removal of permitted development rights
2. properties being leasehold rather then freehold

We have processed this request under the Freedom of Information Act 2000.

Response
I am writing to inform you that we have searched our records and the information you requested is not held by London Borough of Barnet.

The Planning Regeneration team would never have a conversation about freehold/ leasehold as it is not relevant to planning matters

In theory there might have been discussion regarding the proposed conditions which would have included the withdrawal of permitted development rights but this cannot be confirmed as the original planning officer who deallt with this applicaton left several years ago

As such , we do not have any copies of such correspondence.

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to

prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
