Response

I am writing to inform you that we have searched our records and the information you requested is not held by London Borough of Barnet.

The council does not hold this data, you will need to contact schools directly for this information.

Please see the link below:

[Schools | Barnet Council](#)

Schools (including academies) are considered under the Freedom of Information Act (FOIA) to be public authorities in their own rights, and are subject to the FOIA in the same way as the council (albeit with different timescales to meet) so the individual schools would need to be contacted for this information.

Further information

If you are interested in the data that the council holds you may wish to visit Open Barnet, the council's data portal. This brings together all our published datasets and other information of interest on one searchable database for anyone, anywhere to access. <http://open.barnet.gov.uk/>

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to

be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
