Please could you inform me when the lines were re painted at the junction of Warwick Road and Prospect Road Also could you tell me when the Give Way sign was removed.

We have processed this request under the Freedom of Information Act 2000.

Response

The council holds the information requested and it is attached/ the answers to your questions are below

Please could you inform me when the lines were re painted at the junction of Warwick Road and Prospect Road

A work order was raised to refresh the lines in July 2020. Unfortunately this did not happen. However, a works order was raised on 5 August 2021 to programme the refresh of the lines. This will be completed once investigations into a void on Warwick Road have concluded.

Also could you tell me when the Give Way sign was removed

The only Give Way post on the junction of Prospect Road and Warwick road is outside 12 Prospect road, and this has not been removed.

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this

purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
