Refusal Notice Section 40(2)

Part 1 of Schedule 19 of the Data Protection Act 2018 amends the personal data exemption under section 40 of the Freedom of Information Act 2000(FOI). These are consequential amendments designed to ensure that the correct provisions of the GDPR and the new Act are referenced instead of the now repealed DPA 1998. They will not fundamentally impact when personal data can, and cannot, be disclosed in response to an FOI request.

Personal Information is governed by the Data Protection Act legislation and is defined as any information relating to an identified or identifiable natural person ('data subject'). It adds that: an identifiable natural person is one who can be identified, directly or indirectly, in particular by reference to an identifier such as a name, an identification number, location number, an online identifier or to one or more factors specific to the physical, physiological, genetic, mental, economic, cultural or social identity of that natural person.

The withheld information is exempt because disclosure would contravene the first data protection principle which requires that personal data is processed fairly and lawfully. Disclosure of the requested information would breach this principle and in particular the requirement of fairness.

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to

be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
