Response

I am writing to inform you that we have searched our records and although we hold some of the information requested, some of the information you requested is not held by London Borough of Barnet.

We have provided answers to your request below.

It is a statutory requirement for all EHCPs to have EP Advice as part of the assessment process.

I would like to know how many of the EP Advices submitted over this period used a cognitive assessment - (i.e.; one of the following: BAS2, BAS3, WISC4, WISC5, WPPSI4)

The local authority is not required to hold this information. The decision of whether or not to use standardised cognitive assessments will be determined by the Educational Psychologist based on their formulation from their initial information gathering from a number of sources, including assessments undertaken over time, the level and type of need of the child, the child's age, developmental stage and cultural heritage.

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
