Thank you for your request received on 2 May 2022, for the following information:

I wanted to inquire on the nature of the development on the opposite side of Lost Jungle London where a side road off of the bypass road has been constructed.

It has been something i have been interested in finding the nature of for a while.

Thank you.

We have processed this request under the Environmental Information Regulations 2004.

Response

This is part of the works associated with a new golf course - originally approved on appeal (ref: APP/N5090/W/16/3151579) following the initial refusal of application 15/00286/FUL.

I have attached the proposed layout plan for reference.

There is currently a Section 73 application (18/2340/S73) which was approved by committee in December 2018 and is pending a Deed of Variation to the original legal agreement.

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to

be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
