S12 - Cost limit (Exceeds Appropriate Limit)

We are refusing your request under section 12 because we estimate that compliance with your request will exceed the "appropriate limit" under section 12. The appropriate limit is £450 which is equivalent to 18 hours at £25 per hour. The per hour figure is set by Regulation rather than actual salary paid to any officers handling requests. The appropriate limit includes the time it will take the council to discover if it holds the information requested, to locate it, extract it and collate it as well as putting it into any particular format requested by the requester.

We have calculated that it will take approximately 50 hours to comply with your request. Our calculation is as follows:

Over the 2 years there were 596 children on Child Protection Plans and it will take 5 minutes to review the information requested

Advice and Assistance

We are unable to suggest a way of narrowing down the request to bring it within the time limit.

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
