Please provide copies of the documents authorising such consultations and any reporting on the responses;

There is a legal agreement (s.278 Highways Act) in place between the Council and the Developer of Friern Court to carry out off-site highway works attached to the Development. The s.278 legal agreement includes proposed waiting restrictions subject to statutory consultations. The proposals to introduce waiting restrictions (yellow lines) were prematurely implemented by the Developer's contractor ahead of statutory consultation. Arrangements have been made to take up the newly laid waiting restrictions and await for the necessary consultations to take place.

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
