Thank you for your request received on 20 May 2022, for the following information:

This is an information request relating to the painting of pedestrian crossings in areas under the council's remit.

Please include the information for each of the following periods; 2019-20, 2020-21, 2021-22:

*** The total number of pedestrian crossings painted or repainted in non-traditional colours or themes**

*** The total cost of painting or repainting these crossings, including a breakdown of how much was spent on each crossing**

*** The location of each crossing, including pictures of each crossing**

Please also include crossings which have been painted non-traditional colours or themes which have been restored to traditional colours or themes, and the cost of doing so

By crossings painted in non-traditional colours or themes, I mean any pedestrian crossing, including 'zebra', 'puffin', 'pelican' and 'toucan', which includes any non-traditional markings, whether or not they are additional to standard markings or replace standard markings. The most common would likely be crossings painted in rainbow themes.

An example of a crossing where non-traditional markings replace standard markings is here.

An example of a crossing where non-traditional markings are added to traditional markings is here.

A crossing with non-traditional markings which isn't rainbow themed can be seen here.

If it is not possible to provide the information requested due to the information exceeding the cost of compliance limits identified in Section 12, please provide advice and assistance, under the Section 16 obligations of the Act, as to how I can refine my request.

If you have any queries please don't hesitate to contact me via email or phone and I will be very happy to clarify what I am asking for.

We have processed this request under the Freedom of Information Act 2000.

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
