Thank you for your request received on 10 June 2022, for the following information:

I am at a yard based on Barnet Lane and although doing some research I could not come across any bridle paths around that area online. Could tell me if there are any bridle paths and where they are located please as I want to take my horse on a hack.

We have processed this request under the Freedom of Information Act 2000.

Response

The council holds the information requested and the answers to your questions are below.

There are no recorded public bridleways within 2kms of Barnet Lane. It is worth remembering that horses can legally use Restricted Byways and Byways Open to All Traffic.

The London Borough of Barnet do not currently have a definitive map, a legal copy of the recorded public rights of way in its Authority so I would advise the use of the Ordnance Survey maps to identify appropriate routes.

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for

direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
