Thank you for your request received on 26 June 2022, for the following information:

I request to be informed of whether the lillywhite house on everglade strand, colindale, NW95QL is to be demolished as part of the Grahame park regeneration.

If it will be demolished I would like to know the approximate dates If not, I would also like to know this fact.

We have processed this request under the Freedom of Information Act 2000.

Response

The block Lillywhite on the Grahame Park estate was included in the original masterplan for demolition. However there is not a current programme for demolition and may not take place for 10 plus years.

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
