Thank you for your request received on 10 June 2022, for the following information:

The following questions:

- a. Given the appeal decision and enforcement notices can you confirm whether the structure over the swimming pool was built without planning permission?**
- b. How long has the structure been in place?**
- c. Is the current structure the same one that was in place when the enforcement notice was served in 1974?**
- d. Should the structure have been dismantled in accordance with the enforcement notice?**
- e. What planning permission would be required if the structure was to be replaced and is it likely permission would be given or refused?**

Any further information you can provide in relation to the above would be most helpful. When responding can you also please advise what prompted the updating of the planning portal with these historic records in July 2021?

We have processed this request under the Environmental Information Regulations 2004.

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
