### **Part B: Household Support Fund**

**These questions specifically pertain your allocation of the £500m Household Support Fund. For clarity purposes we are referring to the first tranche of the fund announced by the Government here. This fund was announced in the autumn 2021 and had to be spent by the 31 March 2022.**

**7. How much were you allocated from the Household Support Fund in 2021/22?**

£2,234,877.89

**8. How much of this fund did you spend in 2021/22?**

£2,234,877.89

**9. Could anyone apply to receive support from this fund or was it distributed based on certain criteria (e.g. eligibility to FSM)?**

Criteria are households with children financially impacted by Covid/ Covid recovery/ low income families - families identified through those who work closely with them such as early years settings/ schools/ health visitors/ social workers.

The criteria for households with children is at [Household Support Fund | Barnet Council](#)

**10. Please provide approximate percentages indicating what this fund was spent on**

**a. Targeted direct grants to recipients of the following benefits (please specify these below)**

**i. Free School Meals %**

**ii. Universal Credit %**

**iii. Council Tax Support %**

**iv. Tax Credit %**

**v. Discretionary Housing Payments %**

**vi. Other (please specify) %**

**b. Additional funding for your LWA scheme (as set out in Part A) %**

**c. Funding for third party Voluntary and Community Sector (VCS) organisations %**

**d. A new scheme to which members of the public could apply for support, which ran alongside your existing LWA scheme %**

We allocated 50% of the overall funding to households with children, identifying the cohort through schools and Early Years settings and direct contact from families. The fund is not a replication of FSM as it is for households with children who would otherwise struggle to pay for food and energy costs and so no percentage breakdowns in the list given were recorded.

The current fund criteria has changed and will identify FSM and non FSM children going forward.
