Thank you for your request received on 26 July 2022, for the following information:

The council used to use Peak Guardian Freelane cameras for bus lane enforcement along the A5.

Please can you tell me when the council completely ceased to use that make of camera. An exact date isn't necessary, as it may have been some years ago, the month and year or year alone will be sufficient for my purposes.

We have processed this request under the Environmental Information Regulations 2004.

Response

Use of the specified cameras ceased in July 2011.

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
