Thank you for your request received on 31 July 2022, for the following information:

### **Background**

In Ofgem's 'Ofgem ECO4 Administration Consultation Part 2' detailed at <https://www.ofgem.gov.uk/publications/ofgem-eco4-administration-consultation-part-2> 'Chapter 6' of the consultation sets out the intention for ECO4 Flex under the ECO4 Order.

In Chapter 6 the consultation says from July 2022 Councils will be required to issue a Sol and a dedicated responsible person would need to sign the declaration. The relevant part of the publication is:

6.21. From 1 July, a new Sol will be required from LAs across GB to state their intent to participate in ECO4 Flex and a commitment that the signing LA officer will check and verify that declarations will be issued for households that match the criteria in the Sol. As with ECO3 Sols, these would need to be signed by the CEO or dedicated responsible person.

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.
