Thank you for your request received on 4 August 2022, for the following information:

Work has begun within the Brunswick Industrial Park in the unused car park behind Brunswick Park Road, workmen have begun to dig what look like large square holes and many in the residential area namely who's gardens back onto the car park would like to know what is planned for the area. Are their new flats being built or simply a new warehouse?

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
