There are no environmental weight restrictions applied to specific A roads in Barnet, but many A roads fall within one of two area wide 7.5 tonne environmental restrictions that between them cover most of the borough (see attached orders and sketches). We do not hold the information in the form of a list of restricted roads, but the information provided should allow you to identify these.

Please refer to the attachments titled:

1. Enfield, Barnet and Hertsmere Prescribed Routes No. 1 Traffic Order 1996
2. Barnet Prescribed Routes No.2 Traffic Order 1996

And also attached are the TMO orders

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
