Information not held - We do not commission any specialist provision for Young People leaving prison/custody. The leaving care team support YP to access their priority entitlements to housing, on-release from custody this would most likely be temporary accommodation. Barnet Homes will be able to advise if they use specialist providers for people returning to the community from custody. Specialist accommodation for people returning to the community is primarily Approved Premises - this is managed by probation.

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
