Thank you for your request received on 22 August 2022, for the following information:

With respect to your local authority's register of performing animals, please tell me:

1) How many a) dogs and b) cats are currently registered under the Performing Animals (Regulation) Act 1925 in your area to be trained and/or exhibited for performance?

2) Please can you provide a sample of the types of performances in which some of the registered dogs and cats are engaged?

NOTE: For question 2, I am looking for a flavour of the range of performance types. I appreciate there could be a lot of animals registered with many different performance details, so to avoid running into a Section 12 cost exemption, could you please give me the performance details from just the FIVE most recently approved applications?

We have processed this request under the Freedom of Information Act 2000.

Response

We do not have any performing animal licences with dogs or cats attached as permitted animals.

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
